

## **SURS Urges Members to Carefully Read Emails Offering Retirement Counseling**

**Posted:**

April 24, 2020

Many SURS members have recently received unsolicited, potentially misleading emails from companies not affiliated with SURS offering retirement counseling. These emails may appear to come from SURS or appear to represent SURS. They do not.

SURS encourages members to be cautious of email solicitations and skeptical of any attempts by outside firms to request personal or financial information.

Please read your emails carefully and respond accordingly.

Members within four years of retirement may schedule a retirement counseling appointment with a SURS counselor. To schedule, log in to the SURS Member Website at [www.surs.org](http://www.surs.org) <sup>[1]</sup>. Members further from retirement should call SURS at 800-275-7877 Monday, Tuesday, Wednesday and Friday from 8:00 am ? 4:30 pm and Thursday from 9:00 am ? 4:30 pm and speak to a SURS Member Service Representative.
