I. Introduction

The State Universities Retirement System ("SURS" or the "System") is looking for a vendor to assist in the selection, configuration and implementation of a sensitive data discovery tool that will locate and classify sensitive data, find out how it is being used, and protect it against loss, theft or leakage. In addition to the selection and implementation of this tool, SURS would also like this vendor to be able to assist in the review, selection and setup of Office 365 security tools that would be relevant to SURS environment. Vendor would also review existing security policies and procedures and draft any new ones needed based on this engagement.

All forms/required documents needed for submitting a Request for Proposal ("RFP") are available on the SURS website at www.surs.org.

A proposer’s preparation and submittal of a proposal or subsequent participation in presentations or contract negotiations creates no obligation on the System to award a contract or to pay any associated costs. All proposals and related materials will be retained by the System and will be subject to disclosure as required in accordance with the Illinois Freedom of Information Act.

II. Description of SURS

SURS is the administrator of a cost-sharing, multiple employer, public employee retirement system that provides retirement, survivor, disability and death benefits to employees of Illinois state universities, community colleges, and certain other affiliated organizations and agencies. SURS was created in 1941, by an act of the Illinois General Assembly, and is governed by the Illinois Pension Code (40 ILCS 5/15-101 et seq.). SURS provides benefit services to over 230,000 members who work for 61 employers. SURS is responsible for investing assets of more than $19 billion in a diversified portfolio of U.S. and foreign stocks, bonds, real estate and alternative investments. SURS also administers a defined contribution plan, the Self-Managed Plan, which currently has assets of approximately $2.2 billion. Northern Trust serves as SURS’ Master Trustee Custodian.

An elected and appointed, eleven-person, Board of Trustees, governs SURS. The chairperson of the Board of Trustees is, by statute, the chairperson of the Illinois Board of Higher Education. Five members of the Board are appointed by the governor of the state of Illinois. The remaining six members of the Board are elected by participating members (four individuals) and annuitants (two individuals). Our trustees serve six-year terms. SURS is funded by participant payroll deductions and annual employer contributions provided by the state of Illinois. By statute, SURS is defined as a “body politic and corporate” created by Article 15 of the Illinois Pension Code.
SQRS currently employs approximately 132 staff, located in 2 offices in Champaign and Naperville, Illinois. Two SQRS employees are in the Naperville office. The remaining SQRS employees are situated in the Champaign office.

A copy of SQRS’ most recent Comprehensive Annual Financial Report (CAFR) is available for review, or to download, at www.surs.org.

The Illinois Governmental Ethics Act, 40 ILCS 420, provides guidelines for ethical practices concerning state and local pension plans. Respondent providers should be familiar with the provisions of this Act.

Section 1-109.1(6) of the Illinois Pension Code (40 ILCS 5/1-109.1(6)) encourages Illinois public pension systems like SQRS to utilize businesses owned by “minorities”, “women”, and “persons with disabilities” for all contracts and services, as those terms are defined in the Business Enterprise for Minorities, Women, and Persons with Disabilities Act (“BEMWPD”,30 ILCS 575). Additionally, Section 1-109.1(10) of the Illinois Pension Code (40 ILCS 5/1-109.1(10)) sets an aspirational goal of not less than 20% of contracts awarded to such businesses for “information technology services”, “accounting services”, “insurance brokers”, “architectural and engineering services”, and “legal services” as defined by the BEMWPD. Accordingly, businesses that meet these definitions are strongly encouraged to submit responses to this RFP.

A section of the Illinois Procurement Code concerning prohibitions of political contributions for vendors, 30 ILCS 500/50-37, may or may not apply to SQRS service providers. However, each service provider should be familiar with the provisions of this section and comply with this section if the service provider deems it appropriate.

Further legal requirements that vendors should be familiar with are contained in the Addendum to Contract under Appendix D.

III. Services Required

The State Universities Retirement System is looking for a vendor to assist in the selection, configuration and implementation of a sensitive data discovery tool that will locate and classify sensitive data, find out how it is being used, and protect it against loss, theft or leakage. **IV. Minimum Qualifications**

  • The responder’s key professionals and/or organization must not have material conflicts with the SURS Board.

**V. Proposal Content**

At a minimum, the proposal must include the following information to be considered for the engagement. For ease of review, each requirement should be addressed separately.

**Cover Letter**

A cover letter, which will be considered an integral part of the proposal package, in the form of a standard business letter, must be signed by an individual authorized to bind the proposer contractually. This cover letter must indicate the signer is so authorized and must indicate the signer’s title or position. An unsigned proposal will be rejected. The cover letter must also include:

  a. A statement that the proposal meets all requirements of this RFP, and that the offer tendered by the proposal will remain in full force and effect until and may be accepted by SURS at any time prior to 30 days beyond the deadline for submittal.
b. A disclosure of any current business relationship or any current negotiations for prospective business with SURS, or with any member of the Board of Trustees or SURS staff, or any party currently rendering services to SURS.

c. A statement that the proposer acknowledges that all documents submitted in response to this RFP may be subject to disclosure under the Illinois Freedom of Information Act and/or the Illinois Open Meetings Act.

**Statement of Minimum Qualifications**
Proposers must complete and return the Minimum Qualifications Certification in the form contained in Appendix A.

**Reference Checks**
Reference checks will be conducted for each finalist.

**Questionnaire**
The questionnaire contained in Appendix B to this RFP must be completed and returned as part of the proposal.

**Fee Proposal**
Proposers must submit a fixed-cost proposal in the format prescribed in Appendix C. Any deviation from the prescribed format which in the opinion of SURS is material and may result in the rejection of the proposal. The proposed fee shall include all costs and expenses for providing the services and equipment as described in this RFP, and any agreed-upon extended warranties that are associated with initial installation. Once finalists are selected, fees may be subject to a "best and final" offer process to be determined at the discretion of the System.

The fee proposal must expressly state that the proposed fees are guaranteed for the term of any resulting contract.

**Contract**
This Request for Proposal is neither a contract nor meant to serve as a contract. It is anticipated that one or more of the proposals submitted in response to this Request for Proposal may be selected as the basis for negotiation of a contract with the proposer. Such a contract is presently contemplated to contain, at a minimum, the terms of the proposal submitted, as finally negotiated and approved by the System. SURS reserves the right to negotiate additions, deletions, or modifications to the terms of proposals submitted. However, the terms contained in Appendix D, Addendum to Contract, must be agreed to and accepted by the candidate or organization selected to perform the work contemplated by this RFP.

**Project Schedule**
The submission must include a preliminary project schedule based on the number of calendar days required to perform the work following the award of the contract.

**VI. Submission of Proposals**

All proposals must be received no later than the deadline stated in the Anticipated Timeline and Contact Information section. Submissions must be made via email to the identified contact person by the stated deadline.

*Only email submissions will be accepted.*

The proposals become the property of SURS upon submission. All costs for developing proposals and attending presentations and/or interviews are entirely the responsibility of the proposer and shall not be chargeable to SURS.
Only one proposal from an individual, firm, partnership, corporation, or combination thereof, will be considered for this assignment.

VII. Evaluation Process

Pre-Evaluation Review
All proposals will be reviewed to determine if they contain all the required submittals specified in this RFP. Those not submitting all required information in the prescribed format will be rejected.

Proposal Evaluation
All proposals received by the SURS representative on or before the deadline listed above will be reviewed to determine whether they meet the minimum requirements of this RFP.

All proposals received by deadline and pass the pre-evaluation review will undergo an evaluation process conducted by SURS staff. They will be reviewed to determine whether they meet the requirements of this RFP. SURS will consider the following factors in the evaluation process, ranked in no specific order, and will render a decision based on the perceived best fit and best value for the engagement. Fees will be one of the determining factors in this decision but will not be the primary determinative. Proposals will be evaluated based on criteria including:

- Understanding of the services requested
- Timeline for recommended solution to be implemented
- Proposed methodology and work plan to be used in the process
- Proposed deliverables
- Relevant knowledge, experience and qualification of firm and team members including established record of success in similar work
- Commitment to diversity
- Willingness to negotiate contract terms
- Independence
- Cost
- Warranty
- References

Proposals that contain false or misleading statements or that provide references which do not support an attribute or condition claimed by the proposer will be rejected. Issuance of the Request for Proposal creates no obligation to award a contract or to pay any costs incurred in the preparation of a proposal. Nothing in this RFP or any resulting contract shall preclude SURS from procuring services similar to those described herein from other sources.

During the evaluation process, proposers may be requested to provide additional information and/or clarify contents of their proposal. Other than information requested by SURS, no proposer will be allowed to alter the proposal or add new information after the filing date.

Once finalists are selected, fees may be subject to a “best and final” offer process to be determined at the discretion of the System.

X. General Conditions

Freedom of Information Act Disclosure

All materials submitted in response to the RFP become property of SARS. Proposals remain confidential during the selection process. However, upon completion of the selection process, all responses, including that of the individual, vendor or firm selected, will be a matter of public information and will be open to public inspection in accordance with the state of Illinois Freedom of Information Act (FOIA).

If, in response to this RFP, trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business responding to this RFP, such claim must be clearly made, and such information must be clearly identified. (5 ILCS 140/7 and 7.5) Responses to this RFP with every page marked as proprietary, privileged or confidential will not satisfy this requirement. Bidders are required to make a good faith attempt to properly identify only those portions of the response that are truly furnished under a claim that they are proprietary, privileged or confidential and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business responding to this RFP.

Redacted Version of RFP Response

In the event the Responder believes certain materials in the submitted response are exempt from public disclosure in accordance with the language in the Freedom of Information Act Disclosure section above, Responders are asked to provide a redacted version of the response it believes will be suitable for release under the Illinois Freedom of Information Act. (5 ILCS 140/7 and 7.5)

However, any claim of privilege from disclosure is not definitive. SARS has the right and legal obligation to determine whether such information is exempt from disclosure under the Illinois Freedom of Information Act and no information will be considered or determined by SARS to be proprietary, privileged or confidential unless it is identified and separated as indicated herein. (5ILCS 140/7 and 7.5)

Ordinary Course of Business Communications Allowed

Other than existing normal business matters, respondents, potential respondents, or their representatives should not contact anyone at SARS (including SARS staff, members of the SARS advisory committees and members of the SARS Board) other than the listed RFP contact. In addition, respondents must not discuss this RFP with any employee of SARS, trustee of SARS, employee of SARS’ custodian, managers, legal counsel, or other advisors or persons/entities having contracts or other affiliations with SARS.

SARS Quiet Period Policy

Please note the following Quiet Period Policy establishing guidelines by which the SARS Board of Trustees and SARS Staff will communicate with prospective vendors or service providers during a search process. The Quiet Period for this RFP began on the date the RFP was issued: October 1, 2018.
1. The quiet period shall commence upon Committee action (or Board action if the selection is not initiated through a Committee) to authorize a search for a service provider and end once a selection has been made by the Board and accepted by the service provider;

2. Initiation, continuation and conclusion of the quiet period shall be publicly communicated via the SURS website (www.SURS.org) to prevent inadvertent violations;

3. All Board members, and SURS staff not directly involved in the search process, shall refrain from communicating with potential service providers regarding any product or service related to the search offered by the provider throughout the quiet period and shall refrain from accepting meals, travel, hotel, or other value from the providers;

4. Throughout the quiet period, if any Board member or SURS staff member is contacted by a potential service provider, the Board member or SURS staff member shall refer the provider to the SURS staff member directly involved in the search process;

5. All authority related to the search process shall be exercised solely by the relevant Committee or Board as a whole, and not by individual Board Members;

6. All information related to the search process shall be communicated by SURS staff to the relevant Committee or Board as a whole, and not to individual Board Members;

7. The quiet period does not prevent Board approved due diligence, client conference attendance, or communications with an existing service provider that happens to be a provider in the ordinary course of services provided by such service provider; however, discussions related to the pending selection shall be avoided during those activities;

8. The provisions of this policy will apply to potential service providers throughout the quiet period and shall be communicated to providers in conjunction with any competitive proposal process; and

9. A potential service provider or vendor may be disqualified from a search process for a violation of the Quiet Period or any portion of this policy.

Rights Reserved
SURS reserves the right to amend any segment of the RFP prior to the announcement of a selected vendor/contractor. In such an event, all respondents will be afforded the opportunity to revise their proposals to accommodate the RFP amendment.

SURS reserves the right to remove any or all services from consideration for this contract. At its discretion, SURS may issue a separate contract for any service or groups of services included in this RFP. SURS may negotiate additional provisions to the contract awarded pursuant to this RFP. SURS may request additional information from any or all bidders to assist in the evaluation of proposals, and SURS reserves the right to conduct background investigations of selected individuals or firms prior to awarding a contract under this RFP. SURS does not bear any obligation to complete the RFP process or to select any individual(s) or firm(s). SURS also reserves the right without prejudice to reject any or all proposals submitted. SURS will NOT reimburse any expenses incurred in responding to this RFP.

It is the
System’s intent to comply with all state, federal, and local equal employment and opportunity laws and public policies.

**Terms and Conditions**
Following a review of submitted materials, if requested, selected individuals or organizations must be prepared to make a presentation or otherwise participate in an in-person interview in Champaign, IL or in Chicago, IL with SURS staff members and/or members of the SURS board of trustees at a date and location to be determined by SURS. SURS will not provide reimbursement for any costs incurred by the individuals or organizations associated with this presentation.
