

Collecting Premiums

Once you have enrolled in insurance, MyBenefits will submit a monthly notification to SURS of the total premium amount.

All premiums, if applicable, will be deducted from your annuity payment. In the event the cost of the premium exceeds the benefit amount, the benefit recipient will be billed directly.

Qualified members in the Self-Managed Plan will be billed directly.

Medicare

SURS does not counsel on Medicare eligibility or benefits. However, if you are retired and eligible for Medicare, you should enroll in Medicare Parts A and B to become effective the month in which you turn age 65. SURS will require a copy of your Medicare card, your spouse or other dependent's Medicare card (if applicable), or a letter of ineligibility if you are not eligible for Medicare.

TRAIL MAPD – Turning age 65

The state of Illinois offers retirees, annuitants and survivors a healthcare program referred to as the TRAIL – Total Retiree Advantage Illinois. This program provides eligible members and their covered dependents comprehensive medical and prescription drug coverage through State-sponsored Medicare Advantage Prescription Drug Plans. In order to be eligible, a member and all covered dependents must be enrolled in Medicare Parts A and B. Members who meet this criteria by September 30 of each year will receive TRAIL Open Enrollment information in the fall. The open enrollment period typically runs mid-October through mid-November. Elections made during the open enrollment period become effective the following January 1.

Retiree Insurance Information

State Employees Group Insurance Program

As you approach retirement, it is important to understand SURS' role in the State of Illinois Group Insurance Program.

SURS is responsible for:

- Determining insurance eligibility
- Collecting premiums
- Explaining and initiating the enrollment process

General Information

SURS benefit recipients who meet the minimum vesting requirement with a SURS state-covered employer are eligible to participate in the State Employees Group Insurance Program (SEGIP) upon election. State insurance coverage includes: health, vision, dental and life insurance.

Rates

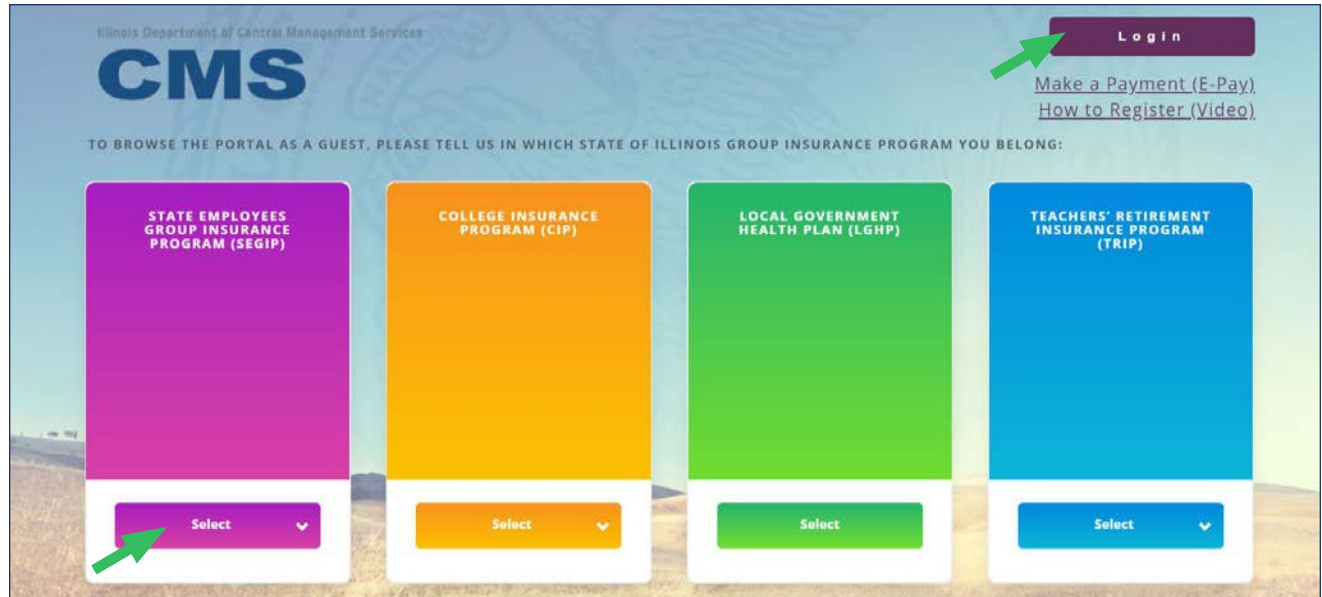

The Illinois Department of Central Management Services (CMS) determines the cost of this insurance. SURS has no information regarding the future costs for state of Illinois health insurance. Currently, the state covers 5 percent of the total insurance premium for each year of qualified service.

Eligibility

Members who have completed the vesting requirement of qualifying service as a Tier I (five years of service) or Tier II (10 years of service) employee may elect to participate in the State Employee Group Insurance Program. Part-time employees who meet this requirement may also qualify.

Once the above eligibility requirement is met, the following service qualifies toward the insurance years to determine the cost of the health insurance premiums:

- Service earned in the course of employment with a SURS-covered employer, including community colleges
- Service credit purchased with SURS prior to retirement, including:
 - Service Prior to Certification (Prior Service)
 - Military Service
 - Repayment of a Refund
 - Other Public Employment
- Service with the State Employees' Retirement System of Illinois (SRS) if retiring under the Retirement Systems Reciprocal Act

Enrollment Process

In order to initiate the enrollment process, you will need to complete and submit an Insurance Participation Election Form to SURS along with your retirement application.

SURS recommends submitting your retirement paperwork (including the Insurance Participation Election Form) to SURS at least 60 days in advance of your anticipated retirement date.

Once your retirement claim is set up, SURS will notify MyBenefits, the state of Illinois' online benefits management system, of your intent to participate in the insurance plan. MyBenefits will then change your status from an active member to a retired member. You will receive a letter from SURS, as well as a letter or email from MyBenefits notifying you that you can now enroll in your retiree insurance. You have 60 days to enroll. You can enroll by contacting MyBenefits Service Center (toll-free) at 844-251-1777 or you can enroll online.

Directions:

- Log on to [MyBenefits.Illinois.gov](https://mybenefits.illinois.gov)
- In the top right corner of the home page, click Login
- Enter your log-in ID and password (if you are logging in for the first time, click Register in the bottom right corner of the log-in box and follow the prompts)

- Your MyBenefits log-in ID is a CMS-issued number. You can access it by clicking "Forgot my log-in ID," on the log-in screen.
- After logging in and landing on the Welcome page, explore your benefit options by clicking on the benefit tiles or using the decision support tool. Then follow the prompts on the Welcome page

Coverage elected at the time of initial enrollment or during the annual Benefits Choice Period (May of each year) remains in effect throughout the entire plan year. However, you may be able to change certain benefit selections mid-year if you experience a qualifying change in status. Changes must be submitted with supporting documentation within 60 days of the date of the change. Please refer to [MyBenefits.Illinois.gov](https://mybenefits.illinois.gov) for more specific information.

The MyBenefits website is a great resource. You can research plan information even before you register by clicking on the State Employees Group Insurance Program section. This website contains the State of Illinois Benefits Handbook and the Benefits Choice Booklet that can be easily printed. There is also a helpful "How to Enroll" video at the bottom of the Welcome page.
